Cowden-Herrick Student Handbook

The Cowden-Herrick Community Unit School District 3A was established and is maintained for the purpose of providing all students residing within the Cowden-Herrick CUSD 3A the educational opportunities that they are entitled to and need. The policies established in district handbooks are intended to provide a safe and productive educational environment for all students. Parents are encouraged and welcome to visit school; we do ask that a prior appointment be made. This handbook does not constitute a contractual commitment to the students but only reflects the current acts and policies of the Cowden-Herrick School District.

Parents/guardians of students that have been designated as a bully will be notified of the designation and the reason for the designation.

A program to educate the parents and the bully will begin and is designed to stop the bullying activities. Soliciting help from the parents to change the bullying behavior will be one of the primary goals.

The program to help change behavior of the student may include counseling, special education referral, and disciplinary action.

Disciplinary action may include restriction of privileges, time-out, after school detentions, demerits, suspension, and expulsion.

The telephone is used for school business. If it is absolutely necessary for a student to make a phone call during school hours, he or she must have permission.

Student Lockers

Students will be assigned a school locker. Lockers are the property of Cowden-Herrick Schools. Lockers and their contents may be searched by appropriate school personnel.

Each student will use their locker to store books,

supplies; coat; etc. Each student is responsible for keeping their locker clean. Students may choose to have a lock on their locker.

Emergency School Closings

Anytime that it becomes necessary, due to weather or other emergency, to close the school, the superintendent will notify the radio station, which will then broadcast that information. If this occurs prior to school in the morning, the superintendent will inform the radio stations as early as possible of that decision. Please listen for this information.

In the event that bad weather or other emergencies cause school to be dismissed early that information will also be broadcast on the radio stations and TV stations. The superintendent will try to allow sufficient time for parents to make arrangements, but it is strongly recommended that all parents and students have plans made in advance as to what is to be done under such circumstances.

Radio Stations:

Parents are always welcome at school, but we would ask that if you wish to visit classes or meet with teachers, that you make arrangements to do so in advance and always check in with the office before proceeding to the classroom. Anyone entering the building must report to the office.

All outside doors will be locked at 8:00 am and unlocked at 3:00 pm.

Students participating in sports must have a current physical, proof of insurance, and must pay a \$30 athletic fee (per year) for the first sport and \$20 for the second sports with a \$50 cap for each student participation (per year) which covers all C-H sports and cheerleading. Additional athletic fees will need to be paid to Beecher City if they host your child's sport.

If a student is absent all day because of illness, they are not allowed to attend or participate in school activities that evening.

Half day attendance is required to participate in any evening activities unless pre-approved by the administration.

If students are absent on Friday, they will not participate in any scheduled Saturday events.

Eligibility

All students participating in athletic activities must be passing in all subjects to be eligible to play in the games. Eligibility is checked at the end of each week and is cumulative for the nine-week grading period. Students will be informed by noon on Friday if they are eligible. Eligibility runs from Monday through Sunday. If a student is ineligible for the week, then he or she may practice and attend games, but may not play in any games. Once the student regains eligibility, they may return to the activity. If a student is ineligible for three accumulative weeks, then the student is no longer able to participate and will be removed from the team.

In addition, students may also be subject to regular school disciplinary procedures.

If you have further questions, please contact the Cowden-Herrick Administration office at (217)783-2126.

Parent Conferences

Cooperation between teachers and parents play an important role in students' success and well-being at school. For that reason parents should feel free to contact any teacher at any time and arrange a conference to discuss student progress. In addition, teachers will set aside a special time during the school year in which they will be available for parents to visit them.

Lunch Policies

Hot lunches are provided for all students who wish to purchase them.

Students may have five lunch charges and these must be paid before any more charges are allowed.

Students are welcome to bring their own lunches from home but are asked to inform their home-room teachers each morning if they are not eating a school lunch so that the cooks may properly plan the amount of food to be prepared.

Students are not to leave the school for lunch unless arrangements are made by parents or guardians prior to leaving the school.

Free or reduced lunch applications may be picked up in the office.

Students must do the assigned homework if they are to be successful in the classroom.

Students who come to class without completed homework will be required to complete homework prior to the start of class the next day. One (1) letter grade will be deducted for lateness.

Students who do not complete the homework prior to the following day will be required to spend detention with the teacher who assigned the homework. One school day must be given to allow the parent to arrange transportation. Should the student complete the homework prior to the detention, two letter grades will be deducted for the lateness.

Any student who fails to serve the detention and to complete the homework is guilty of insubordination and will possibly be suspended.

Cheating will not be tolerated. Any student (s) caught cheating will receive a zero on the test/assignment. Parents will be notified by the classroom teacher of the incident.

Request for Change of Attendance Center

If a parent/guardian wishes to request that their child attend the school outside of their attendance center, a request form must be submitted to the superintendent's office prior to the August Board of Education meeting so the Board can act on the request prior to the beginning of the school year. Each request is handled on a case by case basis, and the decision of the Board is final. If a request for a change of attendance centers is granted, then the student will attend that school until such time as the Board rules on a request to transfer your child back to the regular attendance center. If the Board grants the request, the parents/guardians will provide transportation to the other school, not the district.

Parent Portal

Parents of students at Cowden-Herrick Schools have the ability to monitor the grades, attendance, lunch account information, and discipline via the internet through the use of the **SISK12 Parent Portal System**. Parents are encouraged to monitor this activity and contact faculty or other school personnel as the need arises. To use the parent portal system, parents will need a valid email address and access to the internet. Parents can use the internet in the public library.

Students/Parents Grievances and Concerns

Cowden-Herrick CUSD 3A recognizes that during the course of a school year many questions or concerns arise regarding the educational program. Therefore,

the following procedure for achieving solutions to these questions or concerns shall be followed:

1. Questions or concerns must first be addressed to the individual teacher. A conference may be set up during the teacher's preparation period by calling the school office.
2. Should a teacher conference be unsuccessful in solving the concern, the matter should be directed to the building principal.
3. Should a principal conference be unsuccessful in solving the concern, the matter should be directed to the superintendent.
4. Should a superintendent conference be unsuccessful in solving the concern, the matter should be submitted in writing to the superintendent's office at least 10 days prior to a regularly scheduled Board of Education meeting, in order to be placed on the agenda for their consideration and final solution.

All Board business concerning personnel shall be conducted in executive session and not open to the public, as prescribed by the Illinois School Code.

Chain of Command: Everyone involved in the Cowden-Herrick School System is dedicated to the success of our students. There may be times when parents question actions taken by a teacher or administrator; when such questions arise it is the duty of the parent to make the school aware of their concern. Parents should first contact the teacher to arrange a conference time when the concerns can be properly discussed. If, after speaking to the teacher, the parent feels that the issue needs to be further pursued the parent should contact the building principal. If the matter is not resolved to the satisfaction of the parent they may choose to make an appointment with the superintendent. Finally, if the parent wishes to continue they must present their concerns in writing to the superintendent at least five days prior to the scheduled board meeting in order to be heard at the next scheduled meeting.

Discipline Committee

A Discipline Committee, made up of administrators, teachers, and parents will meet periodically to discuss discipline policies and the student handbook. This committee will recommend changes to the superintendent and the Board of Education. Anyone interested in serving on this committee should contact the building principal or superintendent.
