Buzz Buck Tickets Helpful Hints, 2010-2011

- All classrooms have a container to collect tickets. Student copy of ticket will be displayed in the room in a card pocket system or available pocket chart.
- As students model the lesson of the week with appropriate behavior they receive a set of tickets. They will write their names on **BOTH** tickets. One ticket will go into classroom container; second ticket will be stored in students' "pocket".
- Each Week, 3 names will be drawn from each class. Those students will receive the weekly prize.
 - Teachers will tally up tickets (number of tickets per student) and rubber band them to be stored in a Ziploc bag.
 - Keep a cumulative tally of student tickets for Mid-term prizes.
- Each Midterm, all students who have received at least 30 tickets will be rewarded with a Popsicle.
- Each Quarter, all of the tickets for that quarter will be collected by the principal for school-wide drawing of 5 prizes.
 - Principal will hold tickets from both quarters for semester drawing.
 - After Semester drawing, tickets will be discarded. Students can discard or take home their copies, if they desire.
- Repeat same procedure for each quarter.
